Dear Partner,

We'd like to take a few moments to thank you for making End Times Like These Ministries what it is today! Without God's blessings and partners such as yourself; without your prayers, time, support and periodic attendance at our events, we would not be a ministry!

We now have space in Glendale, California where we conduct evangelistic trainings, youth preaching services, youth social gatherings, health fairs and more. We also have a growing youth ministry called Can U Hear Me Now where we meet yearly in the San Bernardino mountains at Camp Cedar Falls. At this youth conference, young people hear powerful messages that are designed to lead to them to a closer relationship with Christ.

In order to continue growing, maintaining, and building up the Kingdom of God we need your help. We would like to request your support by providing an easy way for you to donate to the ministry *monthly*. Maybe you are already a monthly donor. Please take a look at a new page on our website. You may want to choose a different amount as well as choose where you would like your support to be applied to.

Sincerely, The Directors of End Times Like These Ministries
