The Directors

April 19th 2016 was another wonderful and special day for End Times Like These Ministries. On this day at the 3rd Annual Kingdom Building Banquet, 15 new Lay Evangelist crossed the line joining hundreds of alumni graduates on the battlefield winning souls for the kingdom of God! Pastor Virgil Childs the Pacific Union Conference African American Ministries Director delivered a powerful charge message encouraging the graduates to be faithful in their commitment to God. Pastor John Trusty of the Valley Crossroads SDA Church delivered the consecration prayer and Pastor Morris Barnes of the Bethel SDA Church assisted in delivering the certifications. These new soul winners are engaged in Bible studies and are on fire to finish the work!

They endured two nights per week for thirteen weeks of intense training with assignments in between. Praise God for their faithful commitment to excellence!

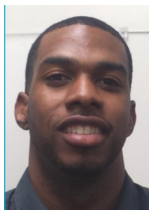

THE TESTIMONY OF A SOUL WINNER!

Christopher Clemons

“WOW a very serious training for our End Times Like These. I believe God has ordained this ministry to train His people to finish the work. This class in no joke but truly a blessing from start to finish. I praise God and commit to pray for this ministry and will work for this cause until His glorious return.” Evangelist Clemons is has demonstrated a commitment to excellence in the service of God. He is now the Vice President of the “Can U Hear Me Now? Committee, which organizes the youth mini camp meetings and yearly youth conferences held in May of each year!

A SOLDIER WINS 3 SOULS TO CHRIST!

David S. Darrett

In 2015, the Lay Evangelist Class did not end without another serious and on fire soldier for God. David Darrett committed himself to the call of God, and took on the challenge of witnessing for Christ. The fruit of his faithfulness to win souls was manifested at the 2016 CYC where two of David’s three Bible study students were baptized. The third was baptized later at the VC SDA Church. Praise God for L-R, Darryl, Ryan & Art!

FROM RECEIVER TO GIVER!

Gini Singh

Gini Singh is a living testimony of what God can and will do for anyone who earnestly seeks to know His truth and will. In 2015, Gini prayed and searched for the truth of God’s word. She had become disenchanted with so many false religions. Her sincere desire to find God’s truth led her to walk into the E T L T School of Evangelism & Resource Center, not only finding truth, but being baptized, trained as an evangelist and is now using her God given gift to present health seminars to the community at the School of Evangelism where it all began! Praise His name, for she is now a giver of what she received!

EVANGELIST OF THE YEAR ON A MISSION!

It was no challenge to determine who would be selected to receive the 2016 Evangelist of the Year Award at the 3rd Annual ETLT Kingdom Building Banquet. The 2006 & 2008 alumni graduate and Bible Worker Linda Poellnitz, has demonstrated over the past 24 years her faithfulness of the gospel call to share the love and grace of Jesus Christ, winning many souls to the family God.

PATHWAY TO TRUTH & SEEDS OF TRUTH REVIVALS, REAPS A HARVEST!

May 11-21, 2016 turned out to be a powerful and rewarding experience for the Tamarind Ave SDA Church and its members. The church members united together for the "Pathway To Truth" Revival and worked very hard within the various auxiliaries including health nuggets, gift giveaway, quiz and music. Evangelist Michael Johnson presented an eleven message series, which led 4 individuals to accept Jesus as their personal savior and be baptized.

The Prophecies of Daniel and Revelation foretells that we are living in the "time of the end" of earth's history. The "Seeds of Truth" Revival proclaimed just that. Evangelist Michael Johnson presented 16 powerful messages each meeting which grasped the attention of the attendees who were excited to participate in the quizzes and the Seeds of Truth Bible School Program.

There were an additional twelve candidates studying in preparation for baptism as they complete their Bible studies from the Bible school, which was conducted during the meetings. God blessed the series to enroll 25 graduates from the "Seeds of Truth" Bible study series in English and Spanish.

The 54th Street SDA Church rallied to participate in the various areas of the meeting. Pictured above is Pastor Garnett, the senior pastor of the church, Evangelist Michael & Denise Johnson along with the graduates from the Seeds of Truth Bible Study program. The Bible study program was held during the meetings facilitated by members of the church supervised by Denise Johnson.

The Bible School was supervised by Alma Stacy, Theresa Borders and Elder Villegas who participated in handing out the diplomas for the Spanish graduates. A faithful Bible worker, Esther King who worked very hard, studied with the candidates in preparation for baptism. The candidates baptized at the conclusion of the meetings were, Fredricka Brown, Ricky L. Parsons, Brandon & Kim Boyd. Praise the Lord for his faithful church members and servants!

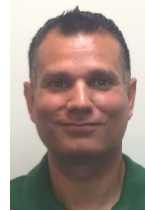

Brother Marcus & Donna Hackett the faithful Bible Workers presented Bible study completion certificates to 20+ graduates whom they studied with before the meeting. At the conclusion of the meeting there were seven souls baptized, with ten more continuing their study to be baptized at completion. This meeting proved the scripture which says, "Not by might, nor by power, but by my spirit, saith the LORD of hosts." Praise God for His blessing of a Harvest!

I AM SO EXCITED TO LEARN GOD'S WORK!

Laura Oliva

I must say that I was extremely nervous starting this class, but from the first day of class not only were all my fears gone, but I was excited to obtain so much information to be able to spread the gospel and co-operate with God in soul winning. I thank and continue to pray for this ministry and may the Lord bless all the efforts and mission. God bless you all! Laura is now the Registration Coordinator for the "Can U Hear Me Now?" Youth Conference as she is leading souls to Christ!

David Solis

I MADE THE RIGHT CHOICE!

At first I was told by others, that these training sessions were really good and amazing so when I started I was expecting much. I was surprised to surpass my expectations. I have learned so much not just about what it is to be a Christian, but about my personal relationship to God. I loved what I have learned and I will never regret making the choice of accepting God's call. David is the President of the Youth Ministry "Can U Hear Me Now?"

WE HAVE A SPECIAL MESSAGE!

Monica Edwards

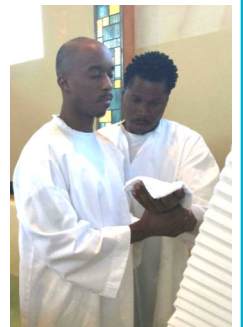

Praise the Lord! For the ministry. God truly has a remnant. I learned so much about what God's will is for us as Seventh-day Adventists. We have a special message to give to the world and our church is asleep. End Times Like These Ministries is on a mission to teach God's people how to do what we were raised up to do and Finish The Work!!!

Gerald Bryant

2008 GRADUATE STILL BAPTIZING SOULS

The graduating class of 2008 from the Lay Evangelist Certification Training, produced many faithful soul winners for Jesus! Gerald Bryant was among that group and is still on fire witnessing for Jesus! In 2016 Gerald gained the privilege of baptizing one of his Bible study students after teaching him the foundational truths of God's word. We praise God for Gerald who has continued to work hard for God, leading souls to a personal relationship with Jesus! Gerald is on fire for God and he seeks to teach others to become soul winners for God. There's no greater blessing than to co-labor with our God!

On April 15-17, 2016, Michael & Denise Johnson were invited by Pastor & Mrs. Kennedy to the Maranatha Mission Seventh-day Adventist Church to implement the Discipleship-7 Training Course. Maranatha Mission began as a shelter for the homeless. In time, the Kennedys found themselves ministering to and building a group of new Seventh-day Adventist Christians. Mike and Denise were very blessed to have spent a weekend with this warm church family. The members of this church learned this weekend, about personally consecrating themselves to God, how to win their friends and family members to Christ, how to knock on doors and much more. The enthusiasm truly brought joy and excitement as the Johnsons covered each session. We learned the following weekend, the

church traveled to another area in Arizona to share the loving Gospel of Jesus! Praise God for a faithful mission of servants!

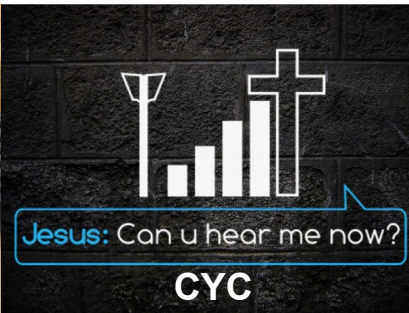

Pastor Wanda Jean Flowers of the Hanford House of Hope invited Michael & Denise Johnson for a weekend of evangelistic training and to implement the Discipleship-7 Training Course. On April 1-3, 2016, the church cheerfully participated in 7 sessions of training such as "gaining decisions, retaining the harvest and even how to overcome obstacles while in the midst of Bible study.

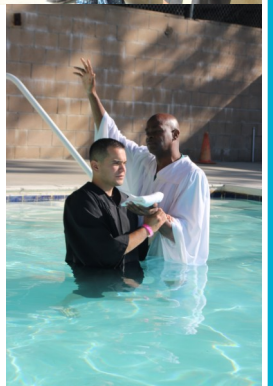

The church members at Hanford of House Hope also practiced ways of visiting in the community and participated in the role-play of giving Bible studies. Visitors and new believers were even attendance and gladly participated which led to seven baptisms in the coming weeks.

"CAN U HEAR ME NOW?" YOUTH CONFERENCE 2016

End Times Like These Ministries, Inc completed its 4th annual youth conference called, Can U Hear Me Now? on May 27-30, 2016. Can U Hear Me Now is a youth conference organized by youth. The theme for this yearly conference is "Removing Barriers So That We Can Hear Him." Through out the year, a team of young people conducts monthly mini camp meetings, monthly youth meet and greets and other outreach activities that gives them the opportunity to meet new young people, un-churched young people, and struggling young people. These activities and new friendships lead them to the yearly youth conference on Memorial weekend at Camp Cedar Falls where they come and hear Christ-centered messages that lead them to a desire and understanding on how to connect with and develop a close loving relationship with Jesus. In 2016, 13 young people made decisions to be baptized. Many of these young people have since joined the CYC Team with the goal to go out and reach other youth for the kingdom! Praise God for the commitment of youth & young adults who are on fire and desires to do the work and great commission of God, winning souls for Christ!
